PEPPERMINT

Our pure cut Serbian peppermint is naturally caffeine free that makes a refreshing infusion.

BLUE LADY

A variation on Earl Grey, Blue Lady infuses rose scented black tea with grapefruit and citrus.

CHERRY ALMOND

An explosion of almond and cherry flavours. The morello cherries, rich almonds and fine black tea fuse into a sumptuous taste.

SPRING GARDEN

Feel like it's spring all year round with this amazing blend of sencha green tea, berry fruit, vanilla and flowers.

YUNNAN GREEN

Yunnan green tea is grown in the mountains just outside Simao (Pu Erh City). It is made from the Yunnan broadleaf variety, which gives it its distinctive aroma and taste.

DARJEELING

The Gopaldhara Estate, located in the Mirik Valley, is one of the highest altitude tea estates in Darjeeling. This tea is an example of it's first flush harvest, picked in the spring. Gopaldhara first flush infuses to a dark orange colour and gives an easy drinking flavour with floral notes and a strong refreshing fragrance.

JASMINE YIN HAO

Jasmine Yin Hao is picked in the early spring in the misty mountains of Fujian Province. Only the most tender green buds and select leaves are hand processed. The leaves are then scented naturally with jasmine blossoms.
